

Two Easy Ways to Register

- 1 Register and pay online at:**
www.hss.edu/cme and receive a discount.
- 2 Register by mail using the registration form.**
Register early, as space is limited.

Payment by mail
 Make check payable to **Hospital for Special Surgery.**

Mail registration form to
 Hospital for Special Surgery, Professional Education Department
 Education Division, 535 East 70th Street, New York, NY 10021

Confirmations
 All registered participants will receive a confirmation via e-mail.
 Registration will not be processed unless accompanied by payment.

Refund policy
 A handling fee of \$25 is deducted for cancellation. Refund requests must be received by mail one week prior to the course. No refund will be made thereafter.

Wake Forest Baptist Medical Center

Comments from 2009 Symposium Participants:

"As a result of this program I will use more regional anesthesia techniques to improve patient care and outcomes."

"I am now more comfortable and confident in performing new block techniques."

"I am now able to apply proper nerve identification and needle approach using ultrasound."

CME • REGIONAL ANESTHESIA 2010

Sponsored by
Hospital for Special Surgery

14th Annual Symposium

Controversies and Fundamentals in Regional Anesthesia 2010

Optimizing Resources While Maintaining Safety

Saturday, May 15, 2010 • 8:00 am-5:00 pm

The New York Palace Hotel, 455 Madison Avenue, New York City

OVERVIEW

The practice of regional anesthesia continues to increase. Practitioners must maintain their skills sets while learning new techniques and remaining current on developments in the subspecialty. There is also a need to create system-wide policies to improve safety and patient care. Comprehensive documentation of regional anesthesia techniques is also important from several perspectives including quality assurance and legal ramifications. This program provides a forum for discussion on current concepts in regional anesthesia and gives attendees the opportunity to learn from regional anesthesia experts in small teacher-to-student ratio workshops and to exchange best practice information.

TARGET AUDIENCE

This CME activity is designed for anesthesia practitioners including attending physicians, fellows, residents, nurse anesthetists and orthopaedic practitioners interested in regional anesthesia.

LEARNING OBJECTIVES

HSS activities are intended to improve the quality of patient care and safety.

At the conclusion of this activity, participants will be able to:

- Better understand basic anatomy, in conjunction with the usage of ultrasonography for peripheral nerve blocks
- Improve their skill sets in basic and advanced regional anesthesia techniques
- Review and discuss effective initiatives to prevent the incidence of complications such as infection or wrong-sided block
- Determine the information necessary for comprehensive documentation of regional anesthesia techniques from a medical/legal and a business perspective
- Exchange best practice information in a problem-based learning discussion format and discuss effective techniques to foster optimal outcomes

Hospital for Special Surgery is an affiliate of NewYork-Presbyterian Healthcare System and Weill Cornell Medical College

ACTIVITY AGENDA

Registration/Breakfast/Vendor Exhibits

Welcome

Devan D. Bhagat, MD

“Keeping Your RA Practice Safe in 2010 and Beyond”

Panelist/Moderator: Gregory A. Liguori, MD
Pamela Cochran Nagle, MD;
Michael C. Ho, MD; James J. Roch, MD

Introduction to Workshops/Basics of Ultrasound

Daniel B. Maalouf, MD, MPH

Morning Break with Vendors

▶ MORNING BREAKOUT SESSIONS

Department Faculty/Guest Faculty

Registrants will have the opportunity to attend all workshops (six in morning/six in afternoon).

Upper Extremity (UE)

- 1 – Sonoanatomy*
- 2 – Interscalene
- 3 – Supraclavicular
- 4 – Infraclavicular
- 5 – Distal UE Blocks
- 6 – Gel Models

Lower Extremity (LE)

- 1 – Sonoanatomy*
- 2 – Femoral
- 3 – Popliteal
- 4 – Saphenous
- 5 – Post Tibial
- 6 – Gel Models

*New in 2010

Problem-Based Learning Discussion Luncheons

Department Faculty/Guest Faculty

Regional Anesthesia/Pain Medicine topics that will include:

- What Spinal Local Anesthetic Should You Use for Your Ambulatory Surgery Patient?
- How Do You Minimize Side Effects of PONV?
- Time from Block Resolution Until Adequate Oral Analgesia (at home) – An Issue That Needs Attention?
- Should You Do A Regional Block When The Possibility of Compartment Syndrome Exists?
- Your Patient Presents with A Postoperative Neuropraxia, How Do You Evaluate?

Coffee and Dessert with Vendors

“Are We There Yet – Is Ultrasound-Guided Regional Anesthesia Now the Standard of Care for Regional Anesthesia?”

Pro/Con Session: William F. Urmey, MD;
Robert S. Weller, MD

Afternoon Break with Vendors

▶ AFTERNOON BREAKOUT SESSIONS

Department Faculty/Guest Faculty

Upper Extremity (UE)

- 1 – Sonoanatomy*
- 2 – Interscalene
- 3 – Supraclavicular
- 4 – Infraclavicular
- 5 – Distal UE Blocks
- 6 – Gel Models

Lower Extremity (LE)

- 1 – Sonoanatomy*
- 2 – Femoral
- 3 – Popliteal
- 4 – Saphenous
- 5 – Post Tibial
- 6 – Gel Models

Presentation with Refreshments

“Making Your Documentation Work for You”

Moderator: Leonardo Paroli, MD, PhD
Panelists: JC Gerancher, MD; Victor M. Zayas, MD

Adjourn

ACCREDITATION

Hospital for Special Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Hospital for Special Surgery designates this educational activity for a maximum of **8.0 AMA PRA Category 1 Credit(s)**™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application submitted to American Association of Nurse Anesthetists for program accreditation.

FACULTY DISCLOSURE

It is the policy of Hospital for Special Surgery to adhere to ACCME Essential Areas, Policies and Standard for Commercial Support in order to ensure fair balance, independence, objectivity and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs must disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. **All disclosures will be made at the time of the activity.** Hospital for Special Surgery’s professional education activities are intended to be evidence-based and free of commercial bias. Please call Dismayra Martinez, PA, MA, Accreditation and Compliance Coordinator at 212.606.1613 to anonymously express any concerns.

SPECIAL NEEDS

The New York Palace is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 212.606.1812. Go to www.hss.edu/cme for a complete calendar of scheduled CME activities.

ACCOMMODATIONS

A limited number of rooms are available at a discounted rate to conference participants. Please call the hotel directly at 800.697.2522 and mention Code “HSS” no later than April 23, 2010.
