Dear Colleague,

We look forward to honoring the legacy of the HSS Sesquicentennial and celebrating the advances made throughout our 150 year history. This year also marks the 100th anniversary of the HSS Alumni Association, which had its beginning in 1913. At that time, there were 26 inaugural members and Virgil P. Gibney, MD, the second surgeon-in-chief, was the association president.

One of the primary goals of the newly formed association was advancement of the branches of surgery represented at the hospital and promotion of social exchange. Now with over 1,600 members, the alumni association is a network of thought leaders in musculoskeletal medicine spanning the world.

This special issue highlights several exciting events planned for 2013. We look forward to seeing many alumni at the upcoming AAOS meeting, and on the opposite page, you will find a listing of activities that are planned at the Chicago meeting. We hope that you enjoy the annual reception and can also take advantage of the hospitality suite venue to connect with your HSS colleagues.

Plans are well underway for marking the milestone hospital anniversary. The HSS Symposia 150 will be held in May and features special lectures from renowned guest speakers and a scientific meeting. The program will be recorded and later posted on HSS e-University so that you can view this special program at a later date. Details on access will be provided to you in the coming months.

The 95th Annual Alumni meeting will honor the 100th anniversary of the Alumni Association. The event is reserved for November 7-9, 2013, and it is one that you will not want to miss. An exceptional scientific portion is planned and highlights are detailed at right. Please note that the Annual Autumn Benefit will be held on Friday, November 8. Your ongoing support for this benefit is greatly appreciated and directly funds the HSS Journal, medical education and alumni initiatives, including the production of Alumni News. The Young Friends of HSS After Party will directly follow the gala.

There has been an adjustment to our usual publication schedule for Alumni News. The next full issue of the magazine will arrive in early summer and the subsequent edition will be produced in January 2014. We feel that this new timeline will allow us to focus content around our pivotal association events and present information in a more timely way.

We look forward to seeing you at the AAOS.

Regards,

Thomas P. Sculco, MD, Surgeon-in-Chief
Daniel S. Rich, MD, 2013 President and Associate Director, Alumni Association
Shevaun M. Doyle, MD, Secretary/Treasurer, Alumni Association

ALUMNI GIVING

In commemoration of the Alumni Association’s 100th anniversary, the “Continuing a Commitment to Educational Excellence” campaign has been launched to help raise $100,000 in support of educational opportunities for current and future alumni. For questions or contributions to this campaign, please email Martha O’Brasky, MPA at OBraskyM@hss.edu or visit www.hss.edu/alumni-giving.
2013 marks another memorable year for HSS – it is the 100th anniversary of the Alumni Association. The 95th Alumni Meeting is one that you are not going to want to miss.

Mark your calendar! November 7-9, 2013, will consist of an exceptional scientific program with special alumni acknowledgements incorporated throughout to reflect on unique individuals that have made the Association a wonderful group who should be honored for their accomplishments both in and outside of medicine. The meeting program is in development and here are some confirmed highlights (a full program agenda will be available this summer).

5th Annual HSS Educational Leadership Program
Richard K. Reznick, MD, MEd, FRCSC, FACS, FRCSEd (hon), FRCSI (hon)

Alumni Presidential Address
Daniel S. Rich, MD

Chief Scientist Pro-Tempore
Laurie H. Glimcher, MD

Distinguished Alumnus
Norman A. Johanson, MD

ALUMNI ASSOCIATION @ the AAOS Annual Meeting

For those of you attending the AAOS Conference in Chicago, March 19-23, we encourage you to take advantage of alumni events and activities. Stop by the HSS Hospitality Suite to grab a quick lunch, snack or refreshment and take a moment to catch up with your colleagues. During the busy pace of the conference, a relaxing stop at the hospitality suite is just what you need. Thursday, March 21, and Friday, March 22 (11am-3pm); Hyatt Regency McCormick Place, CC21-A.

You won’t want to miss the highlight of the conference, the Annual HSS Alumni Cocktail Reception! At the end of the long week, it is always nice to unwind, share a laugh, and mingle with your fellow HSS family. Friday, March 22, 6-8pm; University Club of Chicago.

Please RSVP for the Hospitality Suite and Reception via email at alumni@hss.edu or call 212.606.1815.

150th Anniversary of Hospital for Special Surgery

This year marks the 150th anniversary of Hospital for Special Surgery and to honor this extraordinary milestone, HSS has organized a special commemorative event. HSS Symposium 150 — Honoring the Past, Envisioning the Future will be held May 3-4, 2013, and includes special lectures and a scientific program.

Program session highlights include:
- Emergence of a Hospital During the Civil War
- The Human Genome Project
- Global Medicine
- Inspirational Patient Narratives
- Musculoskeletal Medicine and Research

The proceedings will be recorded and will be added to HSS e-University for future viewing. Alumni will receive additional access details as soon as activities are posted online.
ONLINE CME ACTIVITIES
Proceedings from the 2011 and 2012 Annual Alumni Meetings were captured as streaming video with simultaneous slide presentations. CME credit can be earned at completion. The following six symposia from the November 2012 meeting have recently been posted on HSS e-University and are available free to alumni. Alumni also have extended access to the full meeting proceedings.

Joint Replacement: Metal-on-Metal
Moderator: Timothy M. Wright, PhD

Nerve Injury Associated with Orthopaedic Trauma
Moderator: Steve K. Lee, MD

Skeletal Regeneration: Growth & Development
Moderator: Steven R. Goldring, MD

Social Media and Its Impact on Orthopaedics
Moderators: Edward V. Craig, MD, MPH, and Daniel S. Rich, MD

Current Concepts in Spine Care
Moderator: Fred Mo, MD

Shoulder Instability
Moderator: Lawrence V. Gulotta, MD

JOURNAL ONLINE CME ACTIVITIES
Go to www.hss.edu/e-University for instructions on how to earn CME credit for viewing these activities.

Cardiac Arrest during Total Hip Arthroplasty in a Patient on an Angiotensin Receptor Antagonist
Authors: Susan M. Goodman, MD; Daniel Krauser, MD; C. Ronald MacKenzie, MD; Stavros Memtsoudis, MD, PhD

SPOTLIGHT ON e-UNIVERSITY
www.hss.edu/e-University

VISITING PROFESSOR LECTURE SERIES ONLINE
Since 1968, this series has showcased lectures by renowned visiting faculty who are nationally and internationally recognized for their expertise in our field. Take advantage of select lectures now available online for CME credit at www.hss.edu/e-University.

John Insall, MD, Honorary Lecture in Arthroplasty
Unicondylar TKR: Indications and Technique
Thomas S. Thornhill, MD
Brigham and Women’s Hospital

Bonnie Reichman, MD, Honorary Lecture in Limb Lengthening and Complex Reconstruction Service
Management of Lower Limb Deformity in Children: Lessons Learned
Sanjeev Sabharwal, MD
University of Medicine and Dentistry of New Jersey

First Annual Visiting Professor in Anesthesiology
Femoral Nerve Blockade for Total Joint Replacement: Balancing Pain Relief with Rehabilitation
Michael Mulroy, MD
Virginia Mason Medical Center

Peter G. Bullough, MD, Honorary Lecture in Pathology
Regenerative Medicine and Joint Repair: Past, Present and Future
Rita Kandel, MD
Mount Sinai Hospital

Rose Honorary Lecture in Foot and Ankle Deformities in Total Ankle Replacement
Mark Easley, MD
Duke University Medical Center

Leon Root, MD, Honorary Lecture in Pediatrics
Osteogenesis Imperfecta 2012: Current Concepts of Medical and Surgical Treatments
Francois Fassier, MD, FRCS
The Montreal Children’s Hospital

SURGICAL VIDEOS
These videos demonstrate current concepts in surgical treatment and provide relevant instructional content. Topics include “Pectoralis Major Repair,” “All-Epipheal All-Inside ACL Reconstruction” and “GraftLink All-Inside ACL Graft Preparation.”

FOR YOUR PATIENTS
Encourage your patients to watch and learn through our on-demand webinars at www.hss.edu/ppep-webinars. Podcasts are also available at www.hss.edu/podcasts.asp.

Runners’ Health and Marathon Training Webinars (co-sponsored by New York Road Runners)
- Safe and Effective Training: Tips for the Novice Marathon Runner
- Gearing up for the Marathon
- Optimizing the Last Month

Today’s Options for Osteoarthritis Management (co-sponsored by the Arthritis Foundation)

Advances in Lupus Research: Spotlight on Treatment (co-sponsored by the Lupus Foundation of America)

Accreditation: Hospital for Special Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ACKNOWLEDGMENT
Hospital for Special Surgery and the HSS Alumni Association gratefully thank the Autumn Benefit Committee for ongoing support and major funding for several medical education initiatives, including publication of Alumni News.
