

# 2013 ACR/ARPH Annual Meeting

## Hospital for Special Surgery: Lupus and APS Center of Excellence Abstracts and Presentations.

### Abstracts:

- Phosphatidylserine-Prothrombin Complex (aPS/PT) IgG Antibodies Correlate With Lupus Anticoagulant and Specific Pregnancy Complications In Patients With Antiphospholipid Syndrome.
  - Willis, Rohan; Tebo, Anne E.; Lakos, Gabriella; Mahler, Michael; Norman, Gary L.; Branch, Ware D.; **Salmon, Jane; Guerra, Marta M.**; Pierangeli, Silvia S.
- Isotype Dependent Performance Of Beta2glycoprotein I Immunoassays In Two Diverse Patient Cohorts: Implications For Assay Harmonization and Standardization.
  - Tebo, Anne E. Willis, Rohan; Jaskowski, Troy ; **Salmon, Jane E.**; Petri, Michelle; Branch, Ware D.; Pierangeli, Silvia S.
- Angiogenic Factor Dysregulation and Risk of Adverse Pregnancy Outcome in Lupus Pregnancies.
  - **Salmon, Jane E.** Kim, Mimi; **Guerra, Marta M.**; **Lockshin, Michael D.**; Branch, Ware D.; Petri, Michelle; Laskin, Carl A.; Merrill, Joan T.; **Sammaritano, Lisa R.**; Buyon, Jill P.; Karumanchi, S. Ananth.
- Lupus Education For Providers Serving The Asian American Community: Hospital For Special Surgery's LANtern® (Lupus Asian Network) Initiative.
  - **Tran, My-Lan N; Horton, Roberta; Lockshin, Michael D; Yee, Arthur.**
- Reproductive Counseling Program for Lupus Patients at the Systemic Lupus Erythematosus–Antiphospholipid Syndrome Center of Excellence at Hospital for Special Surgery.
  - **Kim, Katherine; Levine, Alana B.; Richey, Monica C.; Spring, Nadine H.; Schulman, Elizabeth; Sammaritano, Lisa R.; Gelber, Shari E.; Salmon, Jane E.**
- Utilizing Facebook Chats to Convey Health Information to Lupus Patients at the Systemic Lupus Erythematosus - Antiphospholipid Syndrome Center of Excellence at Hospital for Special Surgery.
  - **Nadine H. Spring, Elyse Bernstein, Su Jin Kim, Monica Richey,** Jessica Rowshandel (from SLE Lupus Foundation), and **Jane E. Salmon.**
- High Type I Interferon in SLE Plasma Predict Future Renal Disease.
  - **Kirou Kyriakos, Olfieriev Mikhail, Jacek Elzbieta, Lliguicota Mari, Robotham Margaret, Huang Wei-Ti, Gkrouzman Elena, Crow Mary K.**

- Post-Marketing Experience With Belimumab In U.S. Lupus Centers: Data From The Lupus Clinical Trials Consortium, Inc.(LCTC).
  - Yazdany, Jinoos, **Doruk Erkan**, sanchez-Guerrero, Jorge; Hahn, Bevra; **Levine, Alana B.**; Marder, Galina MD; McCune, W. Joseph; Ginzler, Ellen M.
  
- Impact Of Baseline Disease Severity and Treatments On Outcomes In Clinical Trials Of SLE: Results From The Soccit Program.
  - Kalunian, Kenneth C.; Kim, Mimi ; Behrens, Timothy W.; Bongardt, Sabine ; Brunetta, Paul; Daly, Paola; Franchimont, Nathalie; Furie, Richard; Linnik, Matthew; Hahn, Bevra H.; Hanrahan, Leslie M.; Hillson, Jan L.; **Salmon, Jane**; Solomons, Neil; Merrill, Joan T.
  
- SLE Disease Activity in the Mucocutaneous, Vascular and Hematologic Systems is Associated with an Increase in Plasma Type I Interferon Activity.
  - **Gkrouzman Elena, Mikhail Olfieriev, Robotham Margaret, Lliguicota Mari, Huang Wei-Ti, Jacek Elzbieta, Kirou Kyriakos, Crow Mary K.**
  
- The Association Between Antiphospholipid Antibodies and Related Clinical Outcomes: A Critical Review Of The Literature."
  - Chighizola, Cecilia B; Andreoli, Laura; Banzato, Alessandra; Ramires de Jesus, Guilherme; Pons-Estel, Guillermo J.; **Erkan, Doruk.**
  
- Predictors Of Damage Accrual Over a 2 Year Period In a Large Multi-Racial/Ethnic Lupus Cohort.
  - Clowse, Megan E. B.; Grossman, Jennifer; Merrill, Joan T; Askanase, Anca; Dvorkina, Olga; **Lockshin, Michael D**; Aranow, Cynthia.

## **Presentations:**

- Rheumatic Diseases, Pregnancy, and Lactation. *ARHP Presentation.*
  - **Lisa Sammaritano, MD**
  
- Antiphospholipid Syndrome. *Meet the Professor.*
  - **Doruk Erkan, MD**
  
- Systematic Lupus Erythematosus – Human Etiology and Pathogenesis I. *Moderator.*
  - **Jane E. Salmon, MD**
  
- Systematic Lupus Erythematosus – Etiology and Pathogenesis Poster Session. *Moderator.*
  - **Mary K. Crow, MD**
  
- Autoantibodies in Diagnosis and Follow-up Rheumatic Diseases Study Group: Improving Antiphospholipid Antibody Testing Through International Collaboration (APS ACTION). *Study Group.*
  - **Doruk Erkan, MD**
