ANNUAL

NEW YORK STATE NEUROLOGICAL SOCIETY MEETING

SATURDAY, OCTOBER 15, 2011

SPONSORED BY New York State Neurological Society
and HSS Office of Continuing Medical Education

MEETING LOCATION

Hospital for Special Surgery, Richard L. Menschel Education Center, 2nd floor; 535 East 70th Street (between York Avenue and FDR Drive), New York City

OVERVIEW

Neurology is an evolving discipline designed to enhance patient health and well being. New treatments and medications are constantly emerging. Clinical implementation of the new treatments is hampered because many practitioners have limited information on the potential advantages of using these new techniques. In addition, the practice of neurology is more highly regulated than many other specialties and the legislative process has a direct impact on patient care. It is important that practitioners have an understanding of relevant legislation and how they can participate as advocates for their patients. The course is designed to cover a full range of topics, such as neuromuscular diseases and dementia, as well as provide updates on new treatment innovations and relevant legislation.

TARGET AUDIENCE

Members of the New York State Neurological Society (NYSNS), non-member neurologists and practitioners in related specialties and residents and fellows in neurology

LEARNING OBJECTIVES

NYSNS and Hospital for Special Surgery educational activities are intended to improve the quality of patient care and safety. At the conclusion of this course, the participant should be able to:

- ✓ Identify and implement new therapies and modalities such as intravenous immunoglobulins, Nuedexta, enzyme replacement therapy, and understanding when to use neuroimaging in the patient with Alzheimer's

- ✓ Acquire greater insight into the legislative challenges to be confronted by the medical profession, and by neurologists in particular
- ✓ Collaborate effectively as a patient advocate and bring about changes in the legislative system which can improve healthcare for neurologic patients

ACCREDITATION

Hospital for Special Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Hospital for Special Surgery designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The AMA has determined that physicians not licensed in the United States but who participate in this CME activity are eligible for *AMA PRA Category 1 Credits™*.

SPECIAL NEEDS

Hospital for Special Surgery is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of Continuing Medical Education at 212.606.1812.

FACULTY DISCLOSURE

In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support, all CME providers are required to disclose to the activity audience the relevant financial relationships of the planners, teachers, and authors involved in the development of CME content. An individual has a relevant financial relationship if he or she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. It is the policy of Hospital for Special Surgery to disclose **all** financial relationships that planners, teachers and authors have with commercial interests.

GO TO WWW.HSS.EDU/CME FOR A COMPLETE CALENDAR OF SCHEDULED CME ACTIVITIES.

AGENDA

SATURDAY, OCTOBER 15, 2011

RESIDENT COMPETITIONS

NEUROSTAKES

Neurostakes is a competition between teams of neurology residents in ACGME-approved residency programs in New York State. The format is similar to Neurobowl, a popular competition using a quiz show format held at the annual meeting of the Academy of Neurology.

Upstate teams compete at the spring meeting of the New York State Neurological Society that is held at an upstate location. Downstate teams compete at the fall meeting of the society, held in a downstate location. The finals are held on the same day at the fall meeting.

In order to enhance the educational experience, learners in the audience will answer the same questions as contestants via an audience response system for most of the activity and their answers will be displayed along with the contestants' answers.

The winner of the Spring 2011 Upstate Neurostakes held in Saratoga Springs, N.Y., was the University of Rochester. They will face the winner of the Downstate competition at this meeting. An award will be given to the winner of the finals round.

CALL FOR ABSTRACTS

New York State Neurology residents are invited to submit abstracts to the annual NYSNS meeting, to be presented as posters. Abstracts should be research focused, but may be case reports or series, as well as prospectively designed research studies. Up to 10 abstracts will be chosen for presentation. Posters will be judged by a panel of Department of Neurology Chairs.

Abstracts should be 350 words or less, and should conform to the following headings: background, objectives, methods, results, and conclusions.

Submission deadline: September 21, 2011

Selected presenters will receive: free conference registration, travel reimbursement (based on institutional travel policy) and one night of lodging. The winner will be recognized on the NYSNS website, and will receive a \$300 gift certificate for purchase of medical textbooks. Posters will be on display throughout the conference.

Abstracts should be forwarded to:

David Lambert
91 Thompson Street, Newburgh, NY 12550
Email: nysneurology@gmail.com

SYMPOSIUM

8:00 am **Breakfast & Registration**

8:25 am **Welcome & Introduction**
Dale J. Lange, MD

8:30 - 10:10 am **Symposium on Recent Advances in Therapy and Diagnosis for Neurological Disease**

8:30 am **Update in Neuromuscular Disease**
Jeremy M. Shefner, MD, PhD

9:05 am **Brain Imaging for Alzheimer's Disease: Where Are We and Where Are We Going?**
Scott A. Small, MD

9:40 am **History of Neurology in New York State**
Lewis P. Rowland, MD

10:10 am **Lifetime Achievement Award**
Lewis P. Rowland, MD

10:20 am **Break**

10:30 am **Clinicopathologic Conference**
John C. M. Brust, MD, and James M. Powers, MD

11:30 am **Break**

11:40 am **Breakout Sessions**
✓ **Breakout 1: Maintenance of Certifications**
Ralph F. Józefowicz, MD

✓ **Breakout 2: Evidence-Based Neurology**
Robert C. Griggs, MD

12:15 pm **Lunch**
*Resident Meeting with Fellowship Directors

1:15 pm **Neurostakes Semi-Finals: Downstate**
Cornell vs. Columbia vs. Mt. Sinai Residents

2:15 pm **Break**

2:25 pm **Neurostakes Finals: Downstate vs. Upstate**
University of Rochester Residents vs. Winner of Downstate Competition

3:20 pm **Break**

3:30 pm **Way Forward for Neurologists in this Uncertain Environment**
Bruce Sigsbee, MD

4:00 pm **Advocacy: What Neurologists Need to Know About the Legislative Process and Why**
Panel: Bruce Sigsbee, MD; Michael Amery, Esq.; John Ferro, MD; Michael Gruenthal, MD, PhD;

5:00 pm **Adjourn**

FACULTY

ACTIVITY CO-DIRECTORS

Dale J. Lange, MD

President

New York State Neurological Society
Neurologist-in-Chief
Chair, Department of Neurology
Hospital for Special Surgery
Professor of Neurology
Weill Cornell Medical College
Director, MDA/ALS Program
New York-Presbyterian/
Weill Cornell Medical Center

Dora K. Leung, MD

Assistant Attending Neurologist
Hospital for Special Surgery
Assistant Professor of Clinical Neurology
Weill Cornell Medical College

GUEST FACULTY

Michael Amery, Esq.

Legislative Counsel
American Academy of Neurology

John C. M. Brust, MD

Professor of Clinical Neurology
Columbia University Medical Center
Director, Harlem Hospital Neurology Service

John Ferro, MD

Rockland Neurology Associates

Michael Gruenthal, MD, PhD

Professor and Bender Chairman
Department of Neurology
Albany Medical Center
Director, Neurosciences Institute
Albany Medical Center

Robert C. Griggs, MD

Professor of Neurology
University of Rochester

Ralph F. Józefowicz, MD

Professor of Neurology and Medicine
Associate Chair for Education
Department of Neurology, University of Rochester School of Medicine & Dentistry

James M. Powers, MD

Professor Emeritus
University of Rochester School of Medicine and Dentistry

Lewis P. Rowland, MD

Professor of Neurology
Columbia University College of Physicians and Surgeons

Jeremy M. Shefner, MD, PhD

Professor and Chair of Neurology
Upstate Medical University
State University of New York

Bruce Sigsbee, MD, FAAN

President, American Academy of Neurology

Scott A. Small, MD

Professor of Neurology
Columbia University College of Physicians and Surgeons

REGISTRATION

TWO EASY WAYS TO REGISTER!

1 Register and pay online at www.hss.edu/cme.

2 Register by mail using the registration form.

PAYMENT BY MAIL

Make check payable to:

Hospital for Special Surgery

Mail registration form to:

Hospital for Special Surgery
Professional Education Department
Education & Academic Affairs
535 East 70th Street
New York, NY 10021

CONFIRMATIONS

All registered participants will receive a confirmation via e-mail.

REFUND POLICY

A handling fee of \$25 is deducted for cancellation. Refund requests must be received by mail one week prior to the course. No refund will be made thereafter.
