

FOOT & ANKLE SERVICE:
Sports Injuries Webinar

June 24, 2015 ▪ 7:00pm-8:00pm EDT

OVERVIEW:

Many clinicians, such as orthopaedic surgeons and rehabilitation professionals, are unaware of the proper treatment and management techniques for ankle injuries that are common among athletes. Through didactic lectures, case presentations, and question and answer sessions, this Sports Injuries webinar will cover topics including management of ankle fractures in athletes, cartilage lesions within the ankle, Achilles injuries, and ankle instability. As a result of participating in this activity, clinicians will be able to determine appropriate treatment regimens to ensure safe return to play.

TARGET AUDIENCE:

This activity is targeted to orthopaedists, primary care physicians with specialties in sports medicine, physician assistants, physical therapists and athletic trainers.

ACCREDITATION AND CREDIT DESIGNATION:

Hospital for Special Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Hospital for Special Surgery designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Hospital for Special Surgery is a New York State Education Department approved provider for physical therapy continuing education. Hospital for Special Surgery designates this activity for a maximum of 1.0 contact hours. The following states require continuing education units with no state-specific approval: CT, IA, ID, MO, ND and WA.

Hospital for Special Surgery is recognized by the Board of Certification, Inc., to offer continuing education for Certified Athletic Trainers. This symposium is accredited for up to 1.0 Contact Hours online for BOC credits. According to the education levels described by the CEC Committee of the NATA, the following continuing education course is considered to be Essential Level.
