A Guide to Parking Garages Near Hospital for Special Surgery

Hospital for Special Surgery is located in Manhattan's Upper East Side on 70th Street, between York Avenue and the East River. Because there is limited street parking available near the Hospital, we have compiled a guide to help patients and visitors locate parking garages that are close to HSS and offer discounted prices during peak hours. While the following parking facilities are not endorsed by HSS, we hope this guide will help you plan your next visit to our hospital.

Discounted rates and hours are listed as of July, 2015. To confirm pricing and hours, we recommend that you speak with the parking garage directly. Additional charges may apply for oversized vehicles and SUV's.

If you will be in the area for more than 30 days, inquire about monthly rates. Once you become a monthly client, some garages require drivers to call one day prior to your departure to retrieve your vehicle.

For additional parking resources, visit <http://nyc.bestparking.com>. We also recommend visiting our website www.hss.edu/c2c, which may be useful in answering many of your questions. If you have additional questions, please feel free to contact the Ambassador Services Department at 212.606.1610. Safe travels, and thank you for choosing HSS.
