

Live in New York State and Need Health Insurance?

Please note: You can purchase a Qualified Health Plan* during the open enrollment period from 11/1/20 - 5/15/21.

You can apply for health insurance through the Affordable Care Act (ACA). You can purchase a Qualified Health Plan* (QHP) during open enrollment periods, or if you have a qualifying event. **Medicaid, Child Health Plus and Essential Plan applications are accepted at any time during the year.**

Here are your options:

- Call **New York State of Health (the Official Health Plan Marketplace)** at 855-355-5777.
- Go online: <http://www.nystateofhealth.ny.gov>
- For in-person assistance in your area, call **Community Service Society** at 888-614-5400.

Gather this information to prepare for your application:

- Name, social security number and date of birth for everyone in your tax filing household
- Immigration number for immigrant family members (e.g. Green Card number, employment authorization number)
- Tax filing status (whether you file taxes, and if so, do you file them alone or with your spouse, and how many dependents you claim)
- Name and address of your current employer, if this applies
- Income information (it is helpful to have last's year tax returns for everyone in the household, paystubs, W2 forms, or if you are self-employed, a record of last three months earnings and expenses)
- Information about any other health insurance you or other family members may have
